**800+** STUDENTS CALL REGINA THEIR HOME EACH YEAR...  
*...BUT OUR STUDENTS ARE MORE THAN A NUMBER.*

AVERAGE OF **18** STUDENTS PER CLASSROOM

## OUR STUDENTS

Have a 100% graduation rate

100% attend post-secondary education or military service

Have an average ACT score of 25.1

Have received over \$1.6 million in scholarships collectively each year

Participate in Project Lead the Way, a S.T.E.M. (Science, Technology, Engineering, & Math) Education Program

Each child's individual experience is as unique as they are. Our focus stays steadfast on five core areas in order to enrich our students lives and give them the best education possible.

**GROW** an appreciation of **GOD'S** love.

**FOSTER** a love of learning to last throughout an academic career.

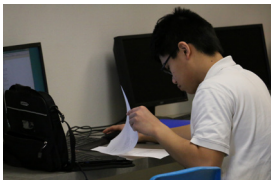

**DEVELOP** self-worth and positive feelings about who the student is as an individual.

**IMPART** an understanding of the feelings and rights of those around others.

**PROVIDE** a safe, stimulating environment where learning is structured around the student.

# ACADEMICS, ACTIVITIES, & ATHLETICS

Whether using Smart Boards, Chromebooks, or Cyber-Science 3D modeling in our tech savvy classrooms; playing an instrument, building a robot, or running down a soccer field there are many opportunities for our 21st Century learners to excel in and outside of our school's walls.

Baseball	Soccer
Basketball~	Softball~
Cross Country~	Track~
Diving	Volleyball~
Football~	Wrestling~
Golf	

~ Available to junior high students, as well

# WHY I AM...

# A REGAL!

**GLENN PLUMMER**  
HIGH SCHOOL PRINCIPAL

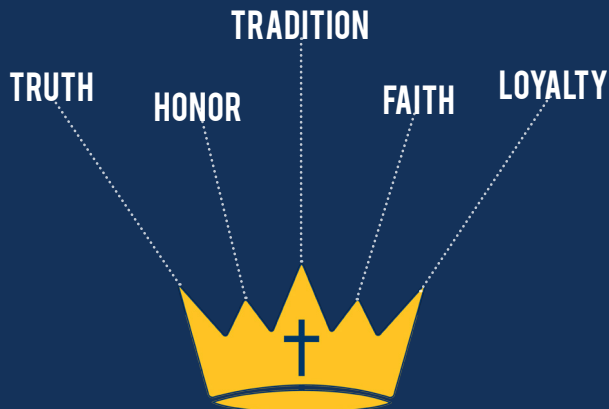

All members of the Regina community have high expectations for our students. This is demonstrated by the success of our students on multiple assessments, including the ACT, and student participation in Advanced Placement courses. Regina students also take college credit courses at Regina, Kirkwood Community College, and the University of Iowa. Regina students also have a great number of opportunities to participate in successful programs in athletics, academic competitions, and the fine arts. The great number of opportunities available to our students to excel in all areas of their life combined with a small school atmosphere that allows students and teachers to build relationships. This gives Regina students a distinct advantage over their peers.

**PAM SCHOWALTER**  
DIRECTOR OF ADMISSIONS

Regina is an exceptional learning environment where our students are nurtured and encouraged to reach their full potential. Our teachers create an environment where our students can succeed academically, individually and socially. At Regina, we welcome diversity and sharing cultural experiences with our current student body and with our new students. There are vast opportunities academically, athletically and with the fine arts. Our commitment to excellence develops young people of character. Welcome to Regina!
