The tournament is divided into four regions with 16 teams in each region. Each ticket holder will have four letters on their ticket that correspond to a specific team in each region. Prizes will be based on the total scores of your four teams in each region. Your four letters will be applied to each region plus one \$200 prize for the highest overall region score. **41 PAYOUTS TOTAL!** There are a limited number of tickets available, with no duplicate tickets printed, presenting lots of opportunities to win! NOTE: the letters that correspond to the seeds are different in each region in order to seek parity. This keeps certain ticket combinations from having a distinct advantage.
