

If your child has missed school due to illness. To help us protect our students, staff and families from the spread of COVID-19, please determine whether your child is experiencing any of the following symptoms, which may be indicative of COVID-19:

## Symptoms of Coronavirus (COVID-19)

**Know the symptoms of COVID-19, which can include the following:**

If your child has **any** of the above symptoms, he/she should stay home until free of fever (without fever-reducing medications), diarrhea and vomiting for at least 24 hours **AND** one of the following criteria are met:

- A negative COVID-19 test
- A note from the child's primary healthcare provider stating that COVID-19 is not suspected and that testing for COVID-19 is not necessary
- 10-days have passed since the onset of symptoms **and** all symptoms have improved.

If your child tests positive for COVID-19, keep him/her at home and contact the school for further guidance.

Thank you,
