

Tuition Tax Credit Parent/Guardian Claim Form

Enacted in 1987 and expanded during the 2021 Iowa state legislative session, this state income tax credit now gives parents of public, private and home school students a tax credit to help with educational expenses:

- Effective for tax year 2021: Tax credit is equal to maximum 25% of the first \$2,000 (up to \$500) paid for **each child** in grades K-12 for tuition and textbooks, each school year.
- Definition of "textbooks" includes expenses for materials used in extra-curriculars such as drama, sports, driver's education, and similar programs.
- Parents claim this credit on their Iowa income tax return.
- This program helps parents offset some of the expense of choosing private education options, as well as all the extras of public education.
