

7th Grade Registration Information for 2022-2023

We are so excited to plan for another school year. Every spring and summer our administration works diligently to create a schedule that works for each student. **This is information to use in the planning process.** During a class meeting, students will select their requested classes online through JMC. Once selected, the office will print off the student’s schedule to be sent home for approval.

General information:

- There are 8 class periods. Students must have 7 of the 8 class periods filled with academic courses each semester. An academic course is defined as a course where students can earn credit. The remaining 1 class period can be filled with learning center time or a study hall. Students can have all 8 class periods filled with academic coursework, if they wish.
- Students should register for at least 7.0 credits and for no more than 8.0 credits per year.
- All of your core morning classes are scheduled on both A and B days. Some required courses (such as PE and Language Arts) alternate days all year long.
- Electives alternate days and are 1 semester long: Creative Writing, Computer Applications, Speech, Art 1 and 2, and Family and Consumer Science 1 and 2.
- The **Course Description Guide** at Regina.org is available to review the full course descriptions, typical sequences and additional information.
- Study Hall vs. Learning Center: Study Hall is monitored by one of the Regina staff. Students will be expected to work on their homework and be productive. In the Learning Center, a Learning Center teacher provides extra support in the areas of organization, accommodation monitoring, and re-teaching, as needed, based on student need. Students who have had extra academic assistance in elementary school benefited from attending the Learning Center.
- I-Ready Reading and I-Ready Math: Students who test below grade-level in Reading and or Math will be placed in I-Ready, based on recommendations and supporting data. In these courses, students will learn skills and strategies for reading and/or math across the curriculum. The program is based on the I-Ready diagnostic online program. Students take a diagnostic placement test and the computer designs an individualized set of lessons for each student. These lessons are based on the Iowa Core Standards. Students will continue individually to work on specific lessons. These courses are a supplement to the regular curriculum until the student reaches grade-level proficiency. Students who receive math or reading assistance in elementary are possible candidates for one or both courses.
- The registration request process allows Regina to best plan for teacher and section numbers. It is important to register for the classes you intend to take. Course offerings may change based on student interest and teacher availability.

REQUIRED COURSES

Every student in 7th grade will take the following courses:

Course	Credit
JH VIA	1
English 7	1
Contemporary Global Studies	1
Integrated Science 7	1
Language Arts 7	0.50
JH PE	0.50

Math

Every student in 7th grade is required to take 1 math course. Students will be placed in a math course that best suits their math experience and proficiency. Math placement is based on teacher recommendation, grades in math and supporting data. Regina staff will add the correct math course to your list of classes at a later date.

Music

Every student in 7th grade is required to take a minimum of 1 music course. Students can choose from:

- Band
- Choir
- General Music
- Orchestra

ELECTIVE COURSES

Course Title	Credit	Course Title	Credit
Study Hall	0	Orchestra (all year)	1.0
Learning Center	0	Band (all year)	1.0
I-Ready Math (all year)	0.50	Choir (all year)	0.50
I-Ready Reading (all year)	0.50	General Music (all year)	0.50
Speech (1 semester)	0.25	Art 1 & 2 (1 semester each)	0.25 each
Computer Applications (1 semester)	0.25	Family & Consumer Science 1 and 2 (1 semester each)	0.25 each
Creative Writing (1 semester)	0.25		

EXAMPLE OF SEMESTER SCHEDULES

Period	Day	Course
1	AB	Global Studies
2	AB	English 7
3	AB	Math 7
4	AB	Science 7
5	AB	Via
6	A	Choir
6	B	PE
7	A	Language Arts 7
7	B	Learning Center
8	A	I-Ready Math
8	B	Art 1*

*Semester Elective: Replacing Art 1 with Art 2 in semester 2.

Period	Day	Course
1	AB	Global Studies
2	AB	English 7
3	AB	Alg 1
4	AB	Science 7
5	AB	Via
6	A	FACS 1*
6	B	Language Arts 7
7	AB	Orchestra
8	A	Computer Apps*
8	B	PE

*Semester Elective: Replacing FACS 1 and Computer Apps with FACS 2 and Speech in semester 2.

Period	Day	Course
1	AB	Global Studies
2	AB	English 7
3	AB	Pre-Algebra
4	AB	Science 7
5	AB	Via
6	A	Choir
6	B	PE
7	AB	Band
8	A	Creative Writing*
8	B	Language Arts 7

*Semester Elective: Replacing Creative Writing with Art 1 in semester 2.

How to Officially Register for the 2022 - 2023 School Year in JMC

1. On the student Chromebook, go to [Regina.onlinejmc.com/student](https://regina.onlinejmc.com/student)
2. Switch the year at the top to say **2022-2023** and log on to the student account.
3. On the left, click the tab labeled **Course Registration**.
4. Once there, on the right column, required courses should already be listed.
5. In the left column, click on the courses you intend to take. It will appear in the right hand column. Select additional required course subjects (For example: Music, I-Ready, etc.) first, followed by other electives.
6. Note: Do not register for alternative courses. Only register for the courses you plan to take.
7. When complete, review the list to confirm it has all of the correct courses. It should reflect 6 or 6.5 credits registered at the bottom of the page, if requesting no-credit courses, such as Learning Center or Study Hall. The list should reflect 7 credits if selecting all credit-bearing courses (no study halls or learning centers). The student's math class will be added at a later date.
8. Log out. That's it! You've registered your requests for the 2022-2023 school year.
9. As a reminder: This registration is to REQUEST courses. Not all courses may be able to work in a student's schedule, based on schedule barriers or student academic needs. We work hard to get students all the courses they need.
