

**Regina Athletic Booster Club Meeting**  
**Wednesday January 12,2021 at 6:00 PM**  
**Location: Regina High School Media Center**

Prayer/Attendance: Sean Beard, Myrna Boyle, Ed Hinkel, Betsy Hoffman, Taylor Hoteck, Barry Lehmen, Amy Mills, Molly Petersen, Leigha Rios, Chase Stafford Todd Streb, Ed Wallace

**Reports:**

**AD-Taylor Hotek:**

Winter sports are going well. Junior high recognition will be going on over the next week. Speech contest is being held Saturday for the first time at Regina. Looking for a successful event and concessions will be open during the event.

**Treasure- Myrna Boyle:**

We have \$81k in the bank with little outstanding. We have been getting in some money for memorials.

**Coaches:**

**Football:**

Ed Hinkel. Camera has arrived and will be getting it set up and running when the weather is better.

**Boys Basketball:**

Barry Lehmen. Got hit with COVID this week 6 players are out. They brought up some freshman and sophomores that did well. Great group of boys they are very cohesive.

**Old Business:**

Review/approval of minutes from December 8th, 2021: Any questions or comments? Sean Beard made a motion to approve, Myrna Boyle second, all in favor, motion carries.

**Car Raffle:**

Ed Hinkel spoke with car dealership on what the process would look like. We would let them put signage all around and use their logo as sponsorship, they in return would knock off the price of the car. Sean going to talk to Krueger Auto (Todd) and Ed is going to find out if Jake Brinkman is still at Billion. Would have the car out in the spring and raffle it off at the chili supper during homecoming week.

### Training Room:

Going on the backside of the film room. Plan right now is to put up a wall, ice machine, and Keiser machine. Taylor placed the order today for the ice and exercise machine. Boosters half as of right now is \$5k of the \$10k approved by the board.

### Fish Fry:

Sean is going to get with Joy on where the diocese is with having it in person. We want to get the event back at Regina. If we can it will be in person as it always has been. If it can't be in person we will be doing carry out with less options.

### **New Business:**

#### Ultimate 5k:

Ryan Wade and Paul Pursley would like to host the Ultimate 5k here at Regina. It would be run like the Turkey Trot back through Hickory Hill. Would be held for teams across the state. Proceeds from it would go to the Booster Club. More details to come.

#### Committees:

Spreadsheet was created and sent to the members to look over for the committees we will be starting. Our goal would be for the chairs to be members of the Booster Club and then find volunteers to be on committees. Our goal is that will fill positions when they come open. Each committee needs to write the process of the area that they are responsible for. Get with Joy on if there is a form, she would like to see the processes on. Committee chairs will update at each meeting and vote if there is a decision to be made. Once it is established, we will add the flow to our bylaws. It was discussed if we wanted a committee to discuss any expenses for equipment or coaches needs. We decided that would go through Taylor and he will bring that to the board. Goal is to have each member of the Booster Club on at least one committee. Advertising on the Regina Weekly and Facebook for volunteers.

#### Attendance:

There will not be any attendance requirements added to the bylaws.

#### Taylor Hotek:

Met with Quality Care a month ago and the contract price will be going up. He and Glen are looking into graphics for the gym, offices, and light poles. He asked if we would like to be involved with the process. Boosters will not be involved with this project. Volleyball did submit in their season end survey for new nets as they are at the end of their life. Ryan Wade is taking over the building and grounds head.

Amy Mills:

Three grillers for football games are retiring. They have been of great volunteer service, and we want to do something special for them. This will also be their last year doing fish fries.

Have heard that there is a health code for anyone that runs the grill. Taylor is going to investigate that it could be different for non-profits.

No other business, Sean makes a motion to adjourn Ed Hinkel second, all approve.

Respectfully submitted by Betsy Hoffman
