**Reports:**

**AD- Taylor Hotek:** Heading into post-season play for all sports. Football needs a 5-pt win to host play-offs. Volleyball is Regional host. XC finished 2nd and 5th at RVC. JH finished 3rd.

**Treasurer:** All money has been moved over to MidWestOne, less approx. \$1000 still at Hills bank due to bills still auto-deducted through there. Working on that. Current financial spreadsheet available to view.

**President- Sean Beard (Betsy Hoffman on his behalf):**

Working on a way to still give a sponsorship/business shout-out opportunity to Pancheros since they continue to donate to our athletic events. Indoor student section – Crownie Court Sponsored by Pancheros.

**Coaches:**

No coaches in attendance.

**Old Business:**

**Approval of past meeting minutes:** September 13, 2023 meeting minutes reviewed and approved - Betsy motion to approve, Molly second, all in favor, motion carries.

**Committee updates:**

**Chili Supper** - It is on for Sunday, November 19! We are going to be able to get free turkeys or at cost for the BINGO. We will need to get information out to the parishes and social media about a month out. We could use some gift cards or other donations of candy or whatever for other BINGO prizes. The committee could work with some outside businesses and if we have any extras we can use at the fish fry. We only really need to do presale for gallons. We will go based off of last year. Great if they buy tickets before but not as vital this time. We did get all of the gallons to people that purchased them before. It goes through the spirit store, so we will need to let Jamie know what is chili supper and what is spirit store or just pull reports?

**Concessions** - Concessions are going well and continue to receive positive feedback on the patio. We will host two post season volleyball games, hopeful for football. Volunteers are showing up, only a couple people have missed, timing wasn't the best, but overall volunteers are checking in. The winter volunteer sign up is being finalized. Pancheros was approached about continuing to donate through basketball, waiting on a response. Junior high basketball is not the responsibility of Boosters, Dance Marathon covers Jr high girls basketball and the Junior class typically manages concessions for Jr High Boys basketball beginning in January.

**Spirit Store** - will need volunteers if we want the SS open for the first playoff game. Ordering more inventory to round out sizes before holiday season approaches. Working on Regina ornaments to sell through the SS. Betsy is working on Regina charm through SS. Sent winter dates SS will be open to Taylor/Carolyn to add to sign up genius—haven't heard back yet.

**New Business:**

Need to move November Booster meeting date - Winter Activities parent meeting 11/8 6-7pm
