Committee updates:

Chili Supper - We have enough volunteers for the event with Staffords, Mattoons, committee members (families) and some of the original crew. If you want to help concessions and spirit store will need help that night, it's on the sign up genius. Annie is working on getting student athlete BINGO callers. Help spread the word to come out for a family night out with the winter showcase too! We should have no expenses for this event as all food is being donated by The Hoffman family. Bingo prizes donated from Booster Club members.

Golf - 2023 Golf numbers should be close to \$31,000 raised. We are tentatively planning on having our winter night out at Micky's on Thursday, December 28th.

Spirit Store - all inventory has been moved into the indoor spirit store now. Waiting on a few more restock items to arrive to round out some inventory heading into the holiday season. Ornament pre-sale is off to a great start—have sold 75 as of 11/6. Ornaments were ordered & should arrive by early December. Partnering with Herteen to provide Regal necklace charm. Pre-sale should be live this week. SS is set to be open for 6 home events this winter. Will have open dates before the holidays.

Concessions - Concessions is prepping for wrestling and basketball. Finished football and volleyball with great feedback on the stand and the food. Mac and cheese huge success! New popcorn and cotton candy machines have been purchased.

Youth Basketball Tournament - 20 teams are signed up to participate in youth tournament to be held in both gyms on 12/2. Officials have been secured. Need concessions and ticket takers.
